

FLEXIBILITY, INTEGRITY & INNOVATION

Estimator

Flying Colours Corp is a global leader in all aspects of aircraft completions and maintenance. With facilities in Canada, USA, and Singapore our continued growth and success is driven by our talented workforce that embody our core values: integrity, innovation and flexibility.

Flying Colours Corp. is seeking an Estimator. This position is located in **Peterborough, ON, CA.**

Job Description

Accurately forecast the expense and scope of customers' required aircraft maintenance, ensuing a successful bid and winning the project.

Duties:

- Prepares timely estimates of customer's aircraft maintenance requests by analyzing scope, labor, materials, duration, and cost.
- Prepares work to be estimated by gathering proposals, specifications, and related documents.
- Reviews, compares, and analyzes historical data to ensure accurate bid proposals.
- Submits 100% of bids by the bid deadline – no exceptions
- Creates and maintains bidding database
- Establishes the work scope in accordance with the contract
- Generates statistical data as needed.
- Shows creativity and resourcefulness to gain better pricing.
- Resolves work package discrepancies with the customer.
- Ensure that all work performed is done in a safe manner. Directs activities to protect employees from harm and maintain safe working conditions.

Qualifications:

- Post-secondary education or training in aircraft maintenance or equivalent combination of education, training, or experience required.
- Two to five years' experience in aircraft maintenance with bidding/estimating and/or planning at an MRO.
- Ability to interpret and apply technical data relating to position.
- Ability to organize and plan work adhering to deadlines

- Attention to detail and strong mathematical skills
- Ability to read, write, and understand the English language and to follow verbal and written instruction
- Computer literacy working with Microsoft software with an emphasis on Excel.

Assets

- AME license preferred
- Experience in Corporate Aviation

Work Hours: Monday-Friday 8:00 am to 5:00 pm (occasional overtime may be required)

Salary: We offer competitive compensation to qualified and highly motivated candidates.

How to Apply

Qualified applicants may submit their resume to hr@flyingcolourscorp.com. Please quote job position in the subject-line of your email.

While we appreciate all resumes received, we can only contact those applicants under consideration for interview.

Flying Colours Corp. is proud to participate in the Legislated Employment Equity Program (LEEP). We welcome applications from all qualified candidates including candidates representing the four designated groups: Women, member of Visible Minorities, Aboriginal Peoples and Persons with Disabilities.
